

## **Great Big Beautiful Day**

It's a great big beautiful day!  
It's a great big beautiful day!  
Everybody's smiling,  
The clouds have gone away.  
It's a great big beautiful day (beautiful day).

There's a big warm wonderful sun! (repeat)  
I know that God is up there,  
Watching everyone.  
There's a big warm wonderful! (wonderful Life)

The meadow's full of flowers  
That are growing wild and free.  
And the birds are singing everywhere  
Share a song with me!

I've got a big beautiful dream! (repeat)  
That we'll work together on the very  
Same team.  
I've got a big beautiful (beautiful) dream!
