

Holy Father

Holy Father, hear our prayer,
Keep us always in your care.
May Your kingdom come to us,
And may we learn how to trust.

Do Your will among us now,
As we here before You bow
Give to us but what we need,
As upon Your Word we feed.

Keep us from the things that do You wrong
When we're weak because we think we're strong.
Save us from our selfish desires,
And with Your love inspire.

Honour, greatness belong to You,
Love and peace and mercy too!
Praise to You again and again,
Amen, amen, amen.
